Staff Recommendation:

Approval

The subject property is currently undeveloped and located on O'Connor Road a major thoroughfare. The subject property is adjacent to "R-6" Residential Single-Family District to the east (single-family dwellings), "C-2" Commercial District across O'Connor Road to the west (vacant) and "C-3" General Commercial District across Fountainwood to the south (Shopping Center). A drainage easement is located to the north. The change in zoning from a commercial district to a residential mixed district would be a down-zoning. The RM-5 Residential Mixed District provides design flexibility while preserving the neighborhood character.

The subject property was originally zoned "B-3" Business District and "B-2" Business District under the provisions of the 1965 zoning ordinance. The zoning districts later converted to "C-3" General Commercial District and "C-2" Commercial District following the 2001 adoption of the Unified Development Code (UDC). Multiple family dwellings were permitted in the "B-2" Business District.
